

Bountiful foods site plan

Site purpose

Bountiful Foods is small business specializing in organic, locally grown foods! Our mission is to provide fresh and healthy food options, including organic, made to order, fruit drinks and fruit bags, to the local population and to tourists visiting the coastal areas. We want to support healthy eating, organic bounty, and convenience :)

Target audience

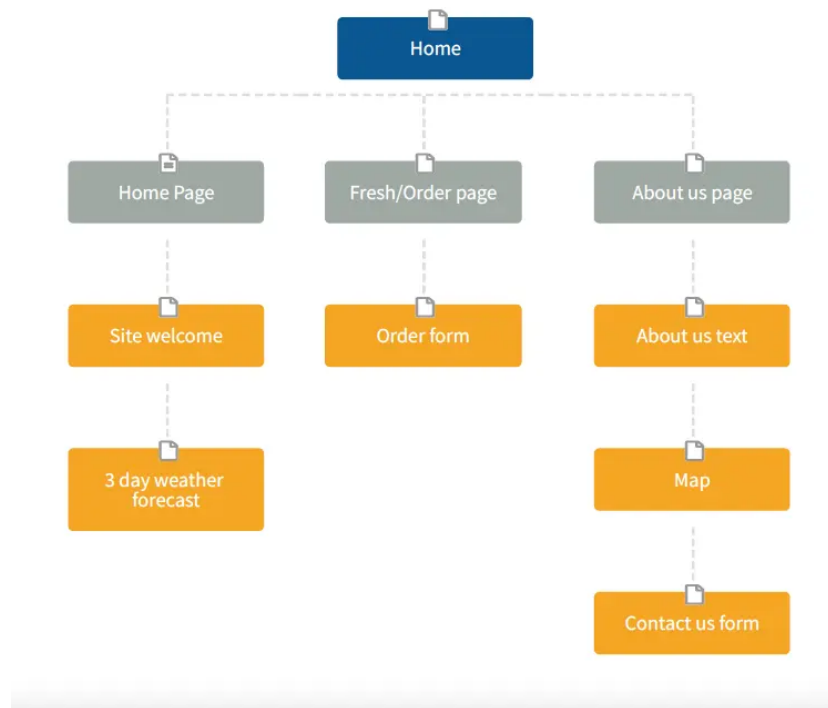

Our audience includes (but certainly isn't limited too) the great local population of Carlsbad, California and worldwide tourists visiting the beautiful west coast of USA!

Scenarios
